[redacted]  
**REFERENCE : Request for Training at Non-CIA Facility**

25X1

25X1  
1. [redacted] entered on duty with the Agency and the Deputy Directorate for Science and Technology on 6 December 1962. Since that time he has been serving on the immediate staff of the DD/S&T as a scientific advisor and most recently as a staff member of the DD/S&T Action Staff.

25X1  
2. [redacted] was initially brought on board by this Deputy Directorate because of his unique qualifications in the field of science and law. He holds the following degrees:

AB (Math) 1958 - Columbia College  
BS (Electrical Engr.) 1959 - Columbia Univ.  
MS (Electrical Engr.) 1960 - Columbia Univ.  
Juris Doctor 1963 - George Washington Univ.  
Law School

3. He has indicated an interest in pursuing advanced study in the field of space law at George Washington University and has been accepted as a student in the Graduate School of Public Law at that university.

4. Since the development of international space law is no longer a theoretical concern, but a practical necessity, I can foresee a distinct value accruing to the DD/S&T by having someone on my staff with a thorough

knowledge and understanding of the legal and political ramifications of the areas of space technology in which this Directorate is involved.

5. This proposed plan of study in space law has been informally discussed with the General Counsel who has advised that such a study would be of use to the Agency.

<p>I would recommend you give consideration to assigning this detail to someone else, perhaps Ed Giller. An increasing amount of your time is going to giving speeches, and in view of your forthcoming absence during the week of 25 November it seems to me that an inordinate amount of time is involved here just to give a lecture to JOTs.</p> <p>Distribution:</p> <p>1 - Dr. Whealon</p> <p>1 - Mr. Blake</p> <p>2 - DD/S&amp;T Files</p>
